

Neighborhood meeting minutes Jan 13

Taking recommendations for next year

trash cans

- budget is already allocated
- mapped out and will be blasted out to the rest of the neighborhood
- Will be collected by the city
- Incorporate dog bag stands

1155 project

- originally wanted to build 285 apartments
- originally slated to be 128 condos
- Currently on hold

sign toppers

- have been knocked off
- we should replace them

Neighborhood projects:

- acquisition of the easement for the bridge across the creek in the park?
- playground equipment,
- Mulch in playground
- or any other project that we want as a neighborhood
- Meet with Pollack shores, or any other developer and present our neighborhood priorities as an ask for our community support
 - need to be a realistic and defined project that we can present to developers

possibly changing location of CPNA meetings

- needs to be centrally located
- suggestions:
 - Reds Beer garden
 - Eventide

Record and broadcast meetings on facebook live

- may need to purchase a camera

Pizza will be provided at every meeting

Child care?

Atlanta Housing project

- original proposal was 334 units, now up to 2000 units

- invite them to the next meeting

CDC (Legal organization for tax exemption and management of neighborhood budget) meeting immediately following the CPNA meeting
